Hazelwood Elementary School PTSA is a non-profit organization dedicated to serving the children in Hazelwood Elementary School, their families and our community. Additionally, we support the faculty and staff at the school and are a vital link in bringing home, school and the community together in addressing child-related concerns.

Hazelwood PTSA offers many quality programs throughout the school year with the goal to enrich the education of every student. Some of the programs include Academic Support, Community Service, Cultural Arts, Emergency Preparedness, Reading & Math Support and Science Fair. PTSA also sponsors fun, family-oriented activities such as the Fall Carnival, Pancake Breakfast and Talent Show.

By becoming a business sponsor, you become a part of a community that works together to support children's education. With our enrollment of more than 450 students along with their families, faculty and staff, this is a wonderful opportunity to promote your business and support our school and community.
